makeup registration; first
day fall sports; 9th orienta-
tion, 6:00 pm
- 8/27-First day of school
for everyone!
- 9/2-Labor Day, No School
- 9/27-PD Day, No School

New MVHS Staff

It is going to be quite the transition year at MVHS as we welcome Michael Collins from the K8 to our Physical Science position; Joel Giorgis to our Strength & PE position; and Jessica Moretti to our 9th grade PE position in the fall.

We are also very pleased to welcome **Mrs. Brittney Deckert** to MVHS as a high school English teacher for next year.

She will be teaching 9th grade English, a section of Speech and Reading, and a section of English 12.

Dear Parents and Students:

The first day of school in the fall for the 2019-2020 school year is **Tuesday, August 27**. Prep for the new school year starts much earlier with fall sports beginning on Monday, August 19 and registration later that week. Be sure you mark your calendars regarding registration dates.

We hope you have a wonderful summer and we look forward to continuing the good things we have happening here at Mountain View High School!

Mr. Carr

August 2019 registration information for all students

- All 11th & 12th graders will register at MVHS on **Thursday, August 15** from 8:30-11:30 am and then 12:30-3:00 pm.
- It will be a similar schedule on **Friday, August 16** with 9th & 10th graders registering from 8:30-11:30 am and then from 12:30-3:00 pm.
- Students who miss their registration time can come in Monday, August 19 during the same times to register for classes and pay fees. This is also the time for **any new or transfer students** to come in and register at MVHS from 8:30-11:30 and 12:30-3:00.
- There will be an **orientation for all 9th graders and new students** the evening of **Monday, August 19 at 6:00 pm in the MVHS auditorium**.
- Students and parents need to be ready to pay a **\$20 registration fee** as well as any *fees for specific classes* or outstanding fines at this time.
- **New and freshman students also have a \$20 book deposit fee.**
- Student schedules may change between now and the fall as we work to balance class sizes. If students get on PowerSchool at the beginning of August their schedule may still change before school starts.
- Due to legislative changes regarding fractional enrollment and accounting of students, **students are only allowed one release period as MVHS students, this includes seniors**. Understand that we will require all students to have a full schedule unless they qualify for the single release time.
- *Incoming senior students who were not proficient on the ACT in Math must take a fourth year of math their senior year. Students must have a 20 on the Math subtest of the ACT to opt out of math as a senior.*
- In August, parents will be receiving an email with a link to the PowerSchool Parent Portal where they can update and revise student information online instead of via paper. We know that this will improve our registration process and help us keep information more up-to-date. Be on the lookout for that email in August to help with student registration.

Graduates

If you need a transcript over the summer, do not leave a message at the high school. Contact our district office at 782-3377.

Student Email at MVHS

All MVHS students have a school-based, gmail email account. We know that student access to quality email increases the opportunities for collaboration among students and communication between students and staff. We want to encourage you to have their Uinta 4 student email account be the “go to” email for high school students.

That being said, there may be an interruption to student access to their gmail accounts towards the end of June as we prepare for year-end rollover and bringing the incoming 9th graders into our system.

If you have a senior who graduated this year, remind them to transfer any of their Google Drive information over to a separate account right away. Senior accounts and their entire Google Drive are removed as part of our year-end process.

Year-End Attendance!

The student attendance rate for the entire school year was **93.7%**. Nice work! Our school goal will be to be above 95% each year.

Special congratulations to graduate Jared Parkinson for having **exemplary attendance for his ENTIRE high school career at MVHS.**

ACT Registration & Testing Dates

The likely statewide ACT testing date for all juniors is **April 21, 2020.**

There are also several upcoming fall ACT test dates available for all students:

Test Date	Registration Deadline
9/14/2019	8/16/2019
10/26/2019	9/27/2019
12/14/2019	11/8/2019

All 9th, 10th, and 11th graders are eligible for a one-time cost of the ACT test reimbursement if they take the test prior to the statewide testing date of their junior year.

This is an excellent opportunity for a student to get some additional practice on the ACT and to work towards improving that score for Hatha-way purposes. See Miss Lupher for details.

Huge Thanks!

The staff and students of MVHS would like to offer a very special thank you to everyone at the **Bridger Valley Baptist Church** on 7th street. The congregation of the church has provided a FREE lunch to any student every Thursday for over a decade now.

During the last week of school the church also delivered care packages for all staff that were particularly kind spirited and helped give teachers some energy and nourishment to finish their school year.

Thank you
Bridger Valley Baptist Church!
