on Twitter

1-DANCE PASSES

We have had several dances now and I want to re-establish why we have a dance pass process for guests from other high schools. Remember that if you are bringing a guest you have to put that student's name on the form that Mrs. Tims has here in the front office. A guest must be a high school student. Why? We have actually had situations where non-students try and sneak into a high school dance (weird, right?). We also have had situations where non students have vaped or been intoxicated when they try and make it into one of our dances. That's not the way we do things here.

2-COMING SOON: REGIONAL WRESTLING

We are hosting Regional Wrestling in February. If you would like to be involved in that tournament as table help for scoring or in any other way, please let me know (email is fine). I would love to have more students helping us put that tournament together.

Regional Wrestling is February 21 & 22.

3-CHECK INS

1. This may be specific to the wrestlers who have more overnights than anyone else, but if you are parking your vehicle in the school parking lot overnight for a school trip, please park in the practice field parking lot towards the front of the building. If vehicles are parked in the main parking lot during a snow, it is almost impossible for our maintenance crew to clear the lot good enough. **Overnight parking? Please park up at the front and the bus can drop you off there on the way home.**
2. If you are a senior and receive a scholarship or are working towards some type of end-of-high-school award, be sure you let Miss Lupher know that you have received a special recognition. We want to be sure and recognize everyone who should be at our Senior Awards Night on Monday, May 11, 2019.
3. AHT is here for YOU! **If you want to make a change to your AHT schedule, let Miss Lupher or I know** and we will do whatever we can to put you in the right section so you are getting the most work done. What kind of grades would you have if you really (really!) made the best use of that time during your school day?

ACT REIMBURSEMENT

Some of you have STILL not submitted your ACT reimbursement form from the June ACT test! This is money! Take advantage of this chance to get reimbursed for going the extra mile.

GREAT STUFF

Congratulations to those students who were recognized at the December 11 board meeting. Those students all had a 25 or higher composite score on the ACT! Congratulations and thanks for your hard work.

SATURDAY SCHOOLS

Saturday School is scheduled for January 25 from 8:00-12:00. This is a great opportunity for you to get some homework done and take care of yourself before you get "in the hole" on grades at the beginning of the semester.

STUDENTS OF THE "WEEK"

Hopefully you are enjoying the pictures of the students who are recognized as the student of the "week" (really every two weeks).

We are looking for hard work, leadership, growth, improvement, and excellent citizenship! It's not just about grades.

MVHS MISSION STATEMENT

MVHS ensures a safe and rigorous education with high levels of learning for all.
