- 12/18-Last day of school before Christmas**
- 1/4/21-Happy New Year! Welcome back to school!**

IMPORTANT NOTICE

Parents and Students:

With the increase in COVID cases in the community and more students being placed into isolation and quarantine, it is so, so, so important that your child is checking their email and Google Classroom EVERY DAY.

Teachers use student emails to send out important notices to students, including Google Classroom assignments and Google Meet classroom codes so students can log in and participate in classes. If your student is at home, their teachers are going to SEND THEM AN EMAIL about expectations and next steps.

If you have a student at home for any reason, they should be checking their email daily, AT A MINIMUM! (Can you tell this is an issue we are dealing with?) Every teacher has a Google Classroom that your student is already enrolled in as a part of regular class operations.

With the way things are going, we need all students to be using their chromebooks for their intended purpose and students have to be responsible and *check their email frequently*. A major part of our Smart Start plan for the year is our ability to offer a Classroom Based Virtual Education for students on isolation or quarantine.

When students are isolated or quarantined, teachers are able to stream and record portions of their instruction so students can log in at their usual class times and participate in the class.

Mr. Carr

**What a fall sports season
 for our teams!**

Quick reminders on some of our athletic success this fall:

Girls Swimming: **Four** MVHS athletes participate in state swimming in Laramie.

Cross Country Boys: **Fourth place in State**

Cross Country Girls: **Fifth place in State**

Football: Played in **State Semi-Final Game** against Torrington

Volleyball:
STATE CHAMPIONS!

**What a fall academic season
 for our student-athletes!**

Congratulations for all of our fall sports athletic programs for being recognized for their "Outstanding" and "Distinguished" performance in the classroom.

Outstanding GPA = 3.5-4.0

Volleyball: 3.77

Cheer: 3.68

Cross Country: 3.64

Distgished GPA = 3.0-3.49:

Football—3.22

First Semester Finals Schedule

Monday-12/14 - Purple - 2nd / 4th

Tuesday-12/15 - White - 2nd / 4th

Wednesday-12/16 - Purple - 1st / 3rd

Thursday-12/17 - White - 1st / 3rd

Friday-12/18 - Purple - Make up finals

November 10, 2020

Looking Ahead to Winter Home Events

As we begin to host home basketball games, we will continue to limit the number of spectators who come into the gyms by requiring tickets.

Please keep children from going out on the floor and shooting baskets during half-time. Students will not be allowed to shoot baskets at half-time. Students and visitors should not bring balls to MVHS for home events as we have had numerous items inside and out get broken from rough play and bouncing balls. Visitors who bring balls into the building will be asked to take them back to their parents' vehicle or store them in a custodian closet until the end of the event.

We would also like to thank the many individuals who brave the elements (and opposing football coaches!) by running the chains and down marker for our home football games.

These people show up for JV and Varsity football games and they literally keep those games running.

The list is too long for us to list everyone, but you know who you are. Thank you! We couldn't do it with out you!

Thank you to **all** of the parents who built baskets for the annual Pink Game volleyball game and Online Auction. Those baskets were excellent and continue to show the community's support for Locals for Locals.

While there are many people who deserve special recognition, thank you to everyone who participated in that online auction, especially those of you who put together a basket and those of you who purchased a basket for the auction.

Ashlee Tims
Ashton Schofield
Kamri Hutchins
Ali Rinker**

**#MVHSBuffs
on Twitter!**

These student-athletes have been recognized by both the WHSAA and our school board for receiving a **WHSAA Good Sportsmanship Award** this fall! Great job to all of you and thank you for going the extra mile in showing your character and sportsmanship.

"Unless you continually work, evolve, and innovate, you'll learn a quick and painful lesson from someone who has."

Positive School Attendance and Success at School

Success in school starts with showing up every day. We want our students to be in school because every minute they are in class is a minute that they are provided a strong learning opportunity. Students who have strong school attendance patterns feel a stronger connection to their school and are more likely to graduate. High levels of learning begins with strong attendance.

As we move through the school year, if you have a student ordered to isolation or quarantine for any amount of time, it is so important that they both communicate with their teachers and login during their regular class time to benefit from the instruction teachers are offering. Contact Mr. Carr if your student is having issues logging in to their classes.
