- 307-782-6340
- Set up appointments via e-mail, tele-
phone, or in person

Parents: Thank you for signing and returning the pre-registration forms! I hope you and your student used the opportunity to talk about class choices and the importance of planning out their schedule. If you have any questions or concerns, please feel free to contact me. We are using pre-registration numbers to help us build the master schedule for next year. We anticipate students leaving in May knowing their schedule for the next school year. Thank you for your patience.

In March all students will be learning about Mental Health Wellness. Students will have the opportunity to learn about mental health basics, understanding mental health, healthy coping skills, and when to ask for help. We will be utilizing some class time to work through these interactive modules that align to our secondary health standards. This is designed specifically as a learning opportunity for all students. If you have any questions you can reach out to me at either haufs@uinta4.com or call 307-782-6340.

After School Study Hall

After school academic support will be available in the library for all students. If your student is interested or needs some extra help, please have them come to the Library.

Tuesdays: 3:30-4:30

Wednesdays: 6:00-8:00

(Monday & Wednesday 6-8 Mr. Johnson also has Math Study Tables available).

Upcoming Opportunities

Special Events for Students Accepted to UW!

Dates: March 25 | April 8 | April 15 | May 20, 2022

Where: University of Wyoming | Laramie, WY

We are encouraging all incoming students to attend one of four different admitted student days. The big upside is that student who have confirmed their enrollment, will be allowed to meet and register for classes during this time. Students will also get the opportunity to explore fall student jobs, learn more about campus resources, meet individuals from all over the country, and so on.

<http://www.uwyo.edu/admissions/visit/events/admitted-student-day.html>

Boys' State

Who: Current 11th grade boys

Where: Laramie, WY

When: June 12-18,

Cost: \$400

Apply: wyoboysstate.org

Deadline: March 18, 2022.

Notes:

Transportation to and from is not provided.

See Mrs. Hauf for more information.

On **April 12, 2022** all juniors will be taking the State ACT test. This is free and required by the State of Wyoming. More information will be coming out in my March newsletter. There are a couple points I want to stress:

1. All junior students must be at school on April 12th.
2. All junior students need to be here before 8:00 a.m.
3. All junior students will test.
4. All junior students will take the 4 part multiple choice test and the writing portion of the test.
5. Juniors do not need to register for this test, we will register at school.

Seniors

Scholarships: Seniors, continue to check your school e-mail and college portals. Deadlines are approaching

*Local scholarships will be available March. More information to come.

*Colleges are starting to take 2022-2023 scholarship application submissions, have your seniors check the financial aid websites for the colleges they have applied to. Not all deadlines are the same. Most applications are a single generic application.

Students need to be checking their financial aid status in each college portal.
