Mountain View, WY 82939

Deadline: April 10, 2023

Brady Charles and Kody Kissling graduated from Mountain View High School in 1999. After graduation both went on to continue their educations.

Brady attended Western Wyoming Community College where he received two Associate Degrees. Brady also attended Bridgerland Applied Technology College and received multiple certificates.

Kody attended Central Wyoming College where he was a member of the Rodeo team and received a degree in Welding.

Both Brady and Kody favored learning a trade and were exceptional at whatever they were doing.

Both boys loved the outdoors and would travel thousands of miles to hunt, fish or find a new adventure. Brady found true joy in being outdoors, whether it was guiding hunters in Alaska, hunting in New Zealand, climbing Mount Rainier, scuba diving in Mexico, or just going for a drive in the mountains, being outside is what made him happy. He loved working with his hands and could build anything. Kody also had a love of the outdoors. He traveled to Alaska several times to fish, making new friends along the way. He hunted and fished all over Wyoming, always looking for the big trophy or a freak buck. He loved rodeo and being on the family ranch. He put in hundreds of hours and thousands of dollars raising money for every auction or benefit he could be a part of.

Brady and Kody were both hardworking, honest, kind, had integrity, and were loyal to their family and friends. They were the first to show up if anyone asked and would give everything they had to help someone in need.

Brady and Kody will be missed by so many for years to come. We would like to honor their names with this scholarship and give it to a person/people that will continue on with their legacies of hard work, compassion, and grit.
